ISSUE:

Approve resolution authorizing an agreement with Court Services of Utah to provide bailiff and transportation services for the West Valley City Justice Court.

SYNOPSIS:

Court Services of Utah will provide services under the direction of Constable Larry C. Bringhurst. They will provide the necessary bailiff services required to protect the court, its staff, the general public, tangible property of the City and the judicial process. Court Services of Utah will also provide prisoner transportation when required. The bailiffs are trained and certified as required by Peace Officer Standards and Training. Bailiffs will perform their duties within the rules of the court and at the direction of the presiding judge.

BACKGROUND:

West Valley City is required to provide security to the Justice Court under Title 78A-7-209 Utah Code Annotated. The City conducted a request for proposal process where it received two responses. Court Services of Utah's proposal was selected by the City to provide the services based on professional skill and ability. The will begin operations effective July 1, 2010.

RECOMMENDATION:

It is recommended that the City Council approve this resolution.
